Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application is one of a series of related applications, identified in the attached Appendix, which are directed to related technical subject matter. The identification of those U.S. Patent Applications is not to be construed as a waiver of secrecy as to those applications now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination.

As this Information Disclosure Statement is being filed with the application, no fee is required.

Respectfully Submitted,

Dale S. Lazar
